VISIT US BOOTH N° 1955

COMPANY DESCRIPTION:

With over 148 years of experience, Laboratorios Portugal is well-known through Peru for our extensive product line. Still family-owned and controlled, quality is our highest priority and we are a Good Manufacturing Practices (GMP) certified laboratory. Because we are an established company in Latin America with offices in Ecuador and Bolivia, our economies of scale afford us to offer the most competitive prices in the industry without sacrificing quality. Laboratorios Portugal is an established company with wide-ranging capabilities to meet your needs. Our graphic art department can tweak the label to your liking if you would prefer a different image. We are willing and able to provide private labeling if you would like to market our products under your own brand name.
